Annual Conference

**San Antonio, Texas**

September 11-14, 2022

# Before the Exam

- **Preparation**

- Good Clinical Data Management Practices (GCDMP) is a foundational resource that will also help with exam preparation.
- SCDM Webinar series on topics related to the exam and Annual Conference sessions are also a valuable source of information.

- **Registration**

- Examiy profile setup and Computer requirements, including the upload of a government issued Photo ID.

- **Technical Requirements**

- Browsers, Desktop or Laptop, Internet Speed, macOS X 10.5 or higher, Windows Vista or higher, etc.

- **Online Testing Resources**

- Helpful resources - Online test taker FAQ, 5 Tips to Boost Test Taker Success, Trouble shooting Guide, Examiy Check-In Process.

**SCDM 2022**

Annual Conference

**San Antonio, Texas**

September 11-14, 2022

# After the Exam

- All exams are subject to live remote proctoring and exam results become available after proctoring review, this process takes 2 weeks.
- After the examination, candidates will receive an e-mail indicating the results. Upon passing, a CCDM<sup>®</sup> certificate will be sent via postal mail service or e-Certificates.
- Those who successfully complete the examination are asked to complete and return a survey, the results of which will be incorporated into SCDM publications.

**SCDM 2022**

Annual Conference

**San Antonio, Texas**

September 11-14, 2022

# Become a CCDM<sup>®</sup> in 4 Steps

1

Go to SCDM Exam Platform

2

Create an account

3

Submit your application

4

Schedule your exam

**SCDM 2022**

Annual Conference

**San Antonio, Texas**

September 11-14, 2022

# Re-Certification

- Certification is valid for a three year period from the date of original certification.
- SCDM Certified Clinical Data Management professionals (CCDMs) may renew their certification upon submission of a completed and valid renewal application.
- By renewing, CCDMs demonstrate their willingness to continue to advance within the field and commitment to continued growth in both knowledge and competency in clinical data management.
- Below Link will walk through Step by Step Process for Renewal
