WAO S ACADEMIC PATHWAY

WAO S has built a position of leadership in providing and developing the dominant Global Academic Pathway in World Sport Management.

This pathway currently extends from a school offering to a PGCert and is intended to eventually contain Masters components through national partnerships. The pathway provides the opportunity to receive education in sport management at all levels.

WAO S also takes pride in its long-term objective to support high-performing student-athletes. Through its partnership with the International Baccalaureate (IB), WAO S and the IB have established a global framework to work with schools and enhance the support provided to such student-athletes. The WAO S Athlete Certificate online course complements school course work requirements in addition to providing an essential resource for International Federations and their

ATHLETE FRIENDLY EDUCATION CENTRES (AFEC)

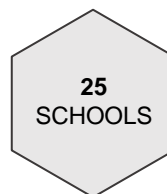

SUPPORTING STUDENT ATHLETES

AFEC is an internationally recognised, school accredited programme which allows high performing student-athletes to complete their high school education under a more flexible and monitored curriculum for accredited AFEC schools.

Run by experts and awarded to schools who provide effective support to high performing student athletes and promote flexible policies and procedures throughout their school communities

IB schools with AFEC accreditation are able to offer recognised student-athletes the opportunity to extend IBDP from 2 years to 3 years.

IN NUMBERS

ATHLETE CERTIFICATE

ASSISTING TALENTED ATHLETES

The WAOs Athlete Certificate is an online course that aims to provide an understanding as well as the tools needed for young people to become successful and knowledgeable athletes. The course has been designed and written by content writers who work regularly with athletes and has been overseen by an expert reference group representing a number of international federations. Students completing the course will receive the WAOs Athlete Certificate.

Five online modules cover topics such as support team and relationships, values and integrity in sport, health and wellbeing (including mental health), social media and the media, and your overall journey as an athlete.

The course is targeted at student athletes from 15 – 18 years of age who want to gain a broader understanding as well as the tools needed to become successful and knowledgeable athletes

INTERNATIONAL BACCALAUREATE CAREER-RELATED PROGRAMME

ENTRY TO CAREERS FOR THOSE PASSIONATE ABOUT SPORT

The International Baccalaureate® (IB) Career-related Programme (CP) is a framework of international education that incorporates the vision and educational principles of the IB into a unique programme specifically developed for students who wish to engage in career-related learning.

The CP ISM is a learning pathway designed for schools to provide IB students with a comprehensive insight into the world of international sport management. The online course provides meaningful context and practical application of concepts that lead students to a globally recognised qualification and a career anywhere in the world.

The CP gives successful students the opportunity to earn credit points towards the Bachelor of International Sport Management through career-related study courses.

Successful graduates of the CP Diploma will receive direct entry into the flexible and 100% online Bachelor of International Sport Management at Federation University and will be eligible to receive study credits for modules successfully completed as part of their CP.

BACHELOR OF INTERNATIONAL SPORT MANAGEMENT

DEVELOPING SKILLS FOR THE FUTURE WORKFORCE

World Academy of Sport has partnered with the Federation University to design and deliver a 100% online undergraduate degree accessible to students anywhere in the world.

Custom-built and taught by industry and education specialists, the degree offers practical industry experience, exclusive access to case studies and interviews from world leaders in sport management and aims to impart students with the skills necessary to become effective sport professionals on a national and international stage.
