# Opportunities in Oncology

**MD Ralf Kurek, Co-CEO**

**RadioOnkologieNetzwerk GmbH, Ergéa Group**

HBI, 21 June 2023

## MD Ralf Kurek

- Co-founder and Co-CEO of RadioOnkologieNetzwerk GmbH
- Member of the Ergéa Group's Board of Directors
- 20+ years of experience as radiation oncologist
- Medical studies in Frankfurt/M. (Germany), Weizmann Institute of Science (Israel) and Harvard Medical School (USA)

# RadioOnkologieNetzwerk is the largest private network of Radiotherapy practices in Germany

- Radiotherapy is the cornerstone of RON – first practice opened 15 years ago
- Doctor-led network with founders still active in clinical work as radiation oncologists
- Currently, the network includes 21 RTx practices, 2 oncology centres, 1 MRI & NM practice and 1 hospital
- Part of Ergéa Group, the leading European platform for diagnostic imaging and cancer care
